## Call for Paper

2020 7th International Conference on Chemical and Material Engineering (ICCME 2020) is an annual academic conference for researchers to present and discuss their work. This conference provide an important channel for exchange of information on Chemical and Material Engineering between researchers.

## Proceedings & Submission

The conference accepts submission on full paper and abstract both. But only full papers accepted of ICCME2020 will be will be published in Conference Proceedings, then are indexed by Elsevier: SCOPUS, Ei Compendex (CPX).

Full paper for presentation and publication while Abstract for Presentation only without publication.

### Submission Method:

1. Send to online submission system: <http://confsys.iconf.org/submission/iccme2020>;
2. Send to official email address directly: [iccme@saise.org](mailto:iccme@saise.org)

## Important Date

- △ Submission Deadline **MAY 20, 2020**
- △ Notification date **JUNE 10, 2020**
- △ Registration deadline **JUNE 30, 2020**

## Submission Topics

The conference is soliciting STATE-OF-THE-ART Research papers in the following areas of interest

Material Science and Engineering  
Materials for Data Storage  
Materials for Electronic and Optical  
Concrete  
Masonry Materials  
Structural Materials  
Building Materials  
Biomaterials  
Nanomaterials

Composites  
Synthesis, Properties or Applications of Materials  
Heat Treatment Processes  
Chemical Engineering Fundamentals  
Chemical Engineering Educational Challenges and Development  
Physical, Theoretical and Computational Chemistry  
Chemical Reaction Engineering

## Organizing Committee

### CONFERENCE CHAIR

Ramesh K. Agarwal, Washington University in St. Louis, USA

### PROGRAM CHAIRS

Hideki Aoyama, Keio University, Japan

Jun Song CHEN, University of Electronic Science and Technology of China

Aleksey Vedyagin, Boreskov Institute of Catalysis SB RAS, Russia
